THE IMPERIAL TITIAN COLLECTION

3D-Tour

Evolved out of the collections assembled by art-loving members of the House of Habsburg, the Picture Gallery of the Kunsthistorisches Museum Vienna houses 25 pictures by Titian, the world's second largest collection of his works after the Prado. This 3D-tour allows you to see these paintings at your own pace and discover interesting facts about Titian and his time.

Listen to our docents telling you all about Venice in the sixteenth century and the life of this great master, and look around the gallery.
